

# TIGER TALES

## End of Winter Sports

Parents night is the last home game. We played Parkview Christian at Lewiston High School. We hope to win this game because it is our seniors last game with us. Before the game we have parents night where we are announced in alphabetical order. Then, after all is said, we give a gift to our only senior of this year, Dana Christian. In the past, the seniors get the gift and say a short speech.

## *Parent Teacher Conferences*

Parent Teacher Conferences are on February 20th from 3:00-8:00. MAP test results will be distributed at conferences. So now is the time to be sure that your grades are up — and it might not hurt to be extra nice to all of your teachers!

# Band Trips?

This year in March we are starting fundraisers to go on a trip for a band. We will have to sell as much as we can to make it up to \$500. For this band trip we shall go to another state to perform on a stage. For instance, if we go to Minneapolis we can go to the Mall of America and perform on a big stage around there. Free will donations will be great, but we will be selling candies, popcorn, and other things too!

This year for Quiz Bowl, there are eight kids in high school going out. Mr. McNeil, our new science teacher, is our coach for both Quiz Bowl teams, high school and junior high. He says it is gonna be great fun. For high school the games are at Sterling and Johnson Brock. The junior high games are at Lewiston school.

Coronaviruses (CoV) are a large family of viruses that cause illness ranging from the common cold to more severe diseases such as Middle East Respiratory Syndrome (MERS-CoV) and Severe Acute Respiratory Syndrome (SARS-CoV). A novel coronavirus (nCoV) is a new strain that has not been previously identified in humans. Over 60,000 people have been infected and the death toll has climbed up to 1,600 around the globe. CDC officials claim that coronavirus will likely hit the United States soon. Around forty people were sent to a quarantine facility in the middle of the United States, Ashland Nebraska. Those few released from quarantine facilities have had a clean break.

Come donate blood on March 10th! We would love to have your blood to save a person's life one day. The other reason why LCS would like to have your donation is that we need to make our goals. Any LCS member signs up for the food and desert shifts at the next meeting please.

### Night of a Thousand Lights

This year's prom is on Saturday, March 21. All juniors and seniors are welcome. Remember to get your RSVP slips to Mrs. Christen asap. If bringing an outside date, let Mrs. Christen know, and they have to pay \$10. Grab your heels, dresses, and your curling iron and get ready to dance!
