The ESU Health Van is finished today. They will be taking students out to evaluate during this time.

We will be printing progress reports today around noon and mailing home w/ the note about contacting the teachers if they'd like a conference on Oct. 2. Everyone will work a normal day on Oct. 2 8-4 (paras do not have to come in that day).

It is important for students to be doing their check-in every day. Please take a few minutes to do this.
