

# TIGER TALES

## Back to School & COVID-19

The Tigers have been back in school for almost three weeks now, but this year has unfolded a little differently. There are many changes this year for students due to COVID-19. Those changes include: we get our temperatures checked daily, we wear masks, plus, the September blood drive has been cancelled. We just have to remember, COVID-19 won't last forever. Stay positive Tigers!

Junior High Tigers are keeping their spirits up. The team has a few more girls this year to help them win. Their first game isn't until early

September, but they are still working hard.

### Lewiston's First Pep Rally

This year's first pep rally was full of fun. We were introduced to this year's new sports teams, listened to a few touching speeches, and had a frozen t-shirt contest. Mrs. Svitak, Lewiston's SLP teacher, took home the victory.

# Lady Tigers Win First Volleyball Game!

With a team of nine girls, the Lady Tigers played Friend on Thursday, August 27th, in their very first game of the season. The girls started out the season positively when they fought their way to victory. What a great way to begin Fall Sports!
