Parents of PK-6 Students

The weather is changing. The children go outside to play at recess unless it is extremely cold. Please encourage your child to dress appropriately to stay warm...a coat that closes in the front, hat, and gloves. Once the snow is on the ground, if your child wants to play in the snow, they MUST have snow pants AND snow boots to wear at recess or they will have to stay on the pavement. Please write your child's name on all their "cold weather gear".

WANTED: EMPTY INK JET CARTRIDGES

Please give your used ink jet cartridges to any Lewiston student and have them deliver them to the library. Lewiston HAL receives cash to donate towards Earth Day projects.

Each student who donates an ink cartridge will receive a prize from Mrs. Goossen's prize box.

Wanted:

Box Tops for Education

Please give your Box Tops for Education to any Lewiston student and have them deliver them to the pink box in the office to be counted and submitted. Lewiston Consolidated School gets 10 cents for each Box Top we submit.

Thanks for all your help and support!

School Closings and Delays

It's that time of year again to prepare for bad weather. In the event adverse weather conditions affect the school's regular schedule you will receive a text from the district's Electronic Alert System. This system will send a text to each of the phone numbers you have registered with the school for contact purposes. You can also listen to KWBE, KUTT/ KGMT radio or watch channels 8 and 10-11 on your television.

It is important to remember two items when late starts occur. First, buses will run according to the announced late start. If a "2 hour late start" is announced, plan on the buses running two hours later than normal. Secondly, always error on the side of caution when determining rather to allow your child to drive to and from school when road conditions are questionable. Safety is priority one.

LEWISTON FFA TO RECEIVE FARMERS COOP GRANT

The Nebraska FFA Association recently notified the Lewiston FFA Chapter that they are the recipients of a grant. The grant is sponsored by Farmers Cooperative and valued at \$400.00.

The grant was written to enhance a chapter welcome sign and school promotion sign. Mr. Dennis Kenning, Farmers Coop Marketing Director, said the program was a way Farmers Coop helps grow local communities through the FFA. The Lewiston FFA has partnered with Farmers Cooperative through the fall Harvest Jamboree at the Burchard elevator, elementary rural safety days, at producers regional programs at Virginia and through a tour of the Jansen dry fertilizer plant.

AG CAREER FAIR

The Lewiston Ag Education Department is hosting an "AG Career Fair" for the Lewiston Consolidated School's 7th, 8th and 9th graders. The new event will take place January 18th at the school.

Ten representatives from agriculture industries will visit with the students from 1:00 to 3:00 pm in the south gym. The presenters are from different career pathways. The speakers will address the small groups for 6-10 minutes and the students will then rotate. Topics are responsibilities, education required and what they enjoy about the profession.

Mr. Barnard and FFA Secretary Miah Fulton are organizing the event. Some of the guests include Conservation Officers, Extension personnel, Ag finance officers, agronomists and natural resources conservationists.
