Elementary Guidance

September was trustworthiness month for Character Counts. Students did many activities showing that trustworthiness involves being honest and reliable, doing the right thing, being loyal, and not cheating or stealing. The lower elementary learned about Shinrai the camel. Shinrai (derived from the Japanese for "trust") is the camel who always keeps her promises, always does what she says she'll do and is loyal, honest and punctual.

At the end of September, students were selected by Lewiston staff to receive the trustworthiness award if they have shown an act of trustworthiness.

Please check out the guidance website to see the students who were awarded.

FLU SHOTS

On Monday, October 13, from 8:30 a.m. - 9:30 a.m. flu shots will given at Lewiston Consolidated School. Cost is \$20 or any insurance card.

A student permission form will be sent home for any parent wanting their student to get a flu shot.

Thank you to all the PTO parents who have volunteered their time to help paint the school!!!

L.H.S. AgEd STUDENTS ATTEND STATE AG SHOW

Ten Lewiston High School students enrolled in agriculture education classes attended the 37th Husker Harvest Days on September 9th. The group was sponsored by Ag Education Instructor, Dave Barnard. The working irrigated farm show is located west of Grand Island.

The students observed cattle handling demonstrations, field tillage operations, haying equipment operations, cattle sorting competitions, toured agri-business booths, and explored new career opportunities.

Lewiston students attending were Megan Wehrbein, Brooke Wehrbein, Karen Keyes, Tyler Keyes, Ryan Husa, Richard Kendall, Trevor Husa, Cari Howell, Dalton Anderson and Miah Fulton. The next Ag Education Dept. activity is the National Farm & Ranch Safety and Health Week observance Sept. 22-26.

Wanted: Box Tops for Education

Please give your Box Tops for Education to any Lewiston student and have them deliver them to the pink box in the library to be counted and submitted. Lewiston Consolidated School gets 10 cents for each Box Top we submit. Thanks for all your help and support!

PreKindergarten 3 News

Pre-K3 has been rolling right along with their studies! To start the month of September, we focused on transportation, or how we get from one place to another. During this time, we talked about cars, airplanes, trains, boats, and buses, just to name a few items. For one of our Social Studies lessons, Ms. Baker gave a presentation on the various parts of the bus. She also had us practice buckling our car seats and exiting the side of the bus, just like we would if there was real fire on the bus. With our lesson on boats, we talked about what boats do, identified items that sink and float, and made sailor hats! Here is a peek at some of the fun we had learning about transportation!

Homecoming Football Game -- Thursday, October 16 vs. Parkview Christian
Game at 7:30 p.m., coronation to follow

Homecoming Dance & Pictures
Friday, October 17 at 7:00 p.m.

The Lewiston band did a special marching performance at the Nebraska State Fair on August 22. It was the first marching band experience for the students, led by the band teacher, Mr. Greenwell. The students came in multiple times during the summer to practice marching. Many parents came to the fair to watch the band march. It was an enjoyable experience for the students.

The banner used during the march was made by the Lewiston Art teacher, Mrs. Sisco. It is a great looking banner that was made especially for the performance at the state fair.

Mr. Greenwell, with the encouragement of Mr. Kentfield, Mr. Ivey, and the Board of Education, has been forming a drum line. New equipment has been ordered, including 4 pitch bass drums, high tension snares, mounted toms, 14" cymbals, and a 3.5 octave xylophone. All of the students involved in the bands will be playing parts in the drum line.

The wheels are turning in Title I this year!! All the initial testing is complete. The Posters outside Mr. Kentfield's office and the DIBELS "Race Car" graph are visible outside my door. Whenever you are in the building stop by to see them. I would be happy to answer any questions.

Tiger Reading Club will kick off in October. Calendars will be sent home with children at the end of September. Several students have asked me about the calendars and when they were going to get them!! I am happy to hear of so many children reading and WANTING to read. Thank you again parents for all that you do to contribute to the success of your child!

Simple reading practice

I've found a way to give my children reading practice—and improve their behavior at the same time. I write short notes to my kids and leave them around the house.

Sometimes I'll mention my youngsters' good behavior ("Thanks for helping with the dishes!") or write reminders ("Please hang me up. Signed, Your towel!"). Sometimes the notes are about

not-so-good behavior. ("I was disappointed when you yelled at me. Can we talk about it?") I make sure to leave notes for treats, too ("Let's go fly your kite this afternoon!").

I look for unusual places to put the notes, such as on their pillows, in front of the dog's water bowl, or pinned to the shower curtain. The kids enjoy discovering the notes and reading them aloud.♥

Looking for a fun after school activity for your child? Consider signing up for a 4-H Afterschool Workshop hosted by the UNL Pawnee County Extension Office.

Rockets to the Rescue: Youth will be tasked with a mission to build a rocket which will deliver food to disaster victims. Youth will learn engineering concepts, develop math skills, learn about nutrition and help solve a relevant, global issue. The workshop runs from after school to 5:30pm on October 8th. It is open to students grades 3-6 and only costs \$5.

Water Investigation: Students will explore the water cycle, create a water shed, explore how to filter water and much more! Youth will practice science skills such as observation, experimenting, and testing a hypothesis. The workshop runs from after school to 5:30pm on November 20th. It is open to students grades K-2 and only costs \$5.

For more information a flyer will be sent home from school a few weeks before the workshops or download it from <http://www.pawnee.unl.edu/county4h>. Contact the Pawnee County Extension Office with any questions at (402)852-2970.

The FACS room is buzzing with activity as we enter the end of the first quarter.

Teen Living is learning about the family life cycle and family crisis. They will be moving into relationships, both peer and family relationships.

Textiles are moving quickly through basic skills and created pillowcases, a drawstring bag, a zipper pouch, and a sewing machine cover before choosing an individual project.

Foods 1 class can talk about nutrition, how to be safe in the kitchen, proper table etiquette, and are beginning to prepare simple dishes.

Quick and Easy Foods class are becoming skillful cooks. Vegetable dishes, fruit dishes, and eggs dishes have been on the menu. This class prepares simple dishes that can be prepared in 30 minutes or less.

Intro to Food Service class is learning about working in food service: restaurants, hotels, kitchens, etc. Kitchen safety, cleanliness, personal hygiene in the kitchen and how to keep food safe are classroom topics.

Family Relationships are working through healthy and unhealthy relationships, communication and communication barriers, and learning to live in a family community.

What's Happening in.... Junior High Study Hall

Four 8th grade students have Study Hall in the FACS room on Monday, Wednesday, and Friday.

Math, Science, Spelling, Social Studies, and Reading are in progress each day.

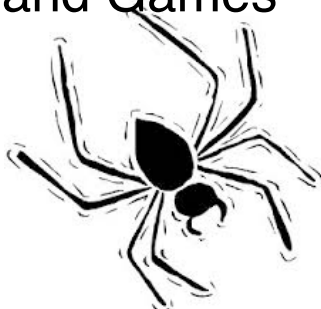

Students have been creating town maps for Science using Google Maps, working math homework, practicing spelling words for test (usually on Friday for Friday test), or reading for fun or reading for AR. The students work well together and help each other with homework.
