## A BIG THANK YOU!

The First National Bank of Burchard and KWBE/KUTT Radio collaborated to co-sponsor MITTEN TREE. They collected mittens, coats, hats, and gloves to be donated to Lewiston Consolidated Schools. Ms. Lick's 3rd grade class celebrated National Spaghetti Day (January 4th) by constructing spaghetti towers. Teams were given a challenge to build the tallest freestanding structure using only spaghetti noodles and marshmallows.

During the challenge, teams worked hard, racing against the clock to turn flimsy ingredients into stable towers. They displayed a variety of working styles and team dynamics to bring together a wide range of different structures - some successfully, others not. However, it was what happened after the challenge where the really important learning occurred.

Teams discussed what they discovered about collaboration, generating ideas, creativity and teamwork. Reflection time was essential to get the most out of this activity.

## All about scholarships!

Most scholarships are based on academics, but others are based on community service, school involvement, or talent in art, dance, music, or athletics. Some are based on financial need as determined by the FAFSA (Free Application for Federal Student Aid).

It's time to start applying for scholarships. Here's where you can find them:

- ScholarshipQuest at EducationQuest.org features over 2,000 Nebraska-based scholarships. After you create a profile, you'll be matched with scholarships that fit your criteria.
- Your school counselor's office. Visit regularly to check on local and national awards. Check your E-mails!
- The college you plan to attend. Contact the school for a list of scholarships they provide and application procedures.
- National search sites such as College Board, Peterson's and Chegg.
- Other resources could include your coach, clubs and organizations, and your parents' employers and civic organizations.

## Here's a scholarship you can apply for now!

Apply by March 31 for EducationQuest's Scavenger Hunt Scholarship. You might win \$500 toward your college education. Here's how it works:

1. If you haven't already, complete a profile in ScholarshipQuest at EducationQuest.org.
2. If you're a Nebraska resident in grades 9-12, you'll see the EducationQuest Scavenger Hunt Scholarship as one of the scholarships that will appear on your results page.
3. "Scavenge" around the EducationQuest website to find answers to questions in a survey.
4. EducationQuest will draw a winner from those who answer all questions correctly. The winner will receive \$500 to invest in a NEST 529 College Savings Plan.

### Juniors: it's time to find the right fit for college! Here's how to get started:

1. Attend a college fair to meet with representatives from colleges that interest you. *Upcoming fair: Lincoln Area College Fair - Sunday, March 19, 1-3 p.m., Southeast Community College*  
Before you attend, register for a barcode at NebraskaCollegeFairs.org. Print the barcode (or download it to your smartphone) and take it to the fair. College reps will scan it to retrieve your demographic information - and you won't have to complete their information cards.
2. Schedule a campus visit. Your upcoming spring break is a good time to visit schools that interest you.
