

Seniors...make sure you complete the FAFSA process

Getting financial aid for college involves more than completing the Free Application for Federal Student Aid (FAFSA). Complete each step of the process so that you don't miss out on money for college.

1. **If you haven't already, complete your 2023-24 FAFSA** at studentaid.gov using 2021 income tax data. Before you start, you and a parent must each create a Student Aid account. If you need help with your FAFSA, contact EducationQuest to set up a **free** virtual appointment.
2. **Expect a Student Aid Report (SAR) via an email link.** The SAR acknowledges that your FAFSA was received and lets you know if you need to take further action before the form can be processed.
3. **You might receive a verification notice** from the college(s) you listed on your FAFSA requesting documents to verify your FAFSA information. The college will not process your financial aid until you provide required documents.
4. **Watch for financial aid award notifications.** Once you're accepted for admission to the colleges you listed on your FAFSA, they will notify you of the types and amounts of financial aid they're offering.

What you need to know about scholarships

Most scholarships are based on academics, but others are based on community service, school involvement, or talent. Some are based on financial need as determined by the results of your FAFSA.

Here's where to look for scholarships:

1. **ScholarshipQuest at EducationQuest.org** houses over 2,000 Nebraska-based scholarships. After you create a profile, you'll be matched with scholarships that fit your criteria. You'll also find links to national sites that EducationQuest recommends.
2. **Your school counselor's office.** Watch for emails from Mrs. Houston about scholarships.
3. **The college you plan to attend.** Contact the school for a list of scholarships they provide and the application procedures.
4. **Other resources** could include your coach, clubs and organizations, and your parents' employers and civic organizations.

- **Focus on college-based and local scholarships.** You're more likely to earn them over large national awards.
- **On the application, list your activities, awards, honors classes and volunteer or paid jobs.** Track them using the Activities Resume from EducationQuest.
- **Earn the best possible ACT scores** by taking the exam in the spring of your junior year and again in the fall of your senior year.
