### Seniors ... borrow wisely for college!

Review these tips before you decide how much to borrow in student loans:

- Borrow only what you need, even if it's less than the amount offered in your award letter.
- Use your student loan money *only* for tuition, room and board, books, and fees. Get a part-time job to pay other expenses.
- Apply for financial aid each year you attend college by completing the FAFSA.
- Continue to look for scholarships while in college.

To learn more, read "What You Need to Know About Student Loans" and see "Paying for College" at EducationQuest.org.
