## NEW STUDENT ALERT

Welcome Back!

Tigers are coming back from Christmas break with bright smiles. We are only two weeks into this year and 2020 already has a good outlook. Though some are coming back with excitement, others come back filled with worry. ACTs are coming up and new classes are starting. Welcome back Tigers!

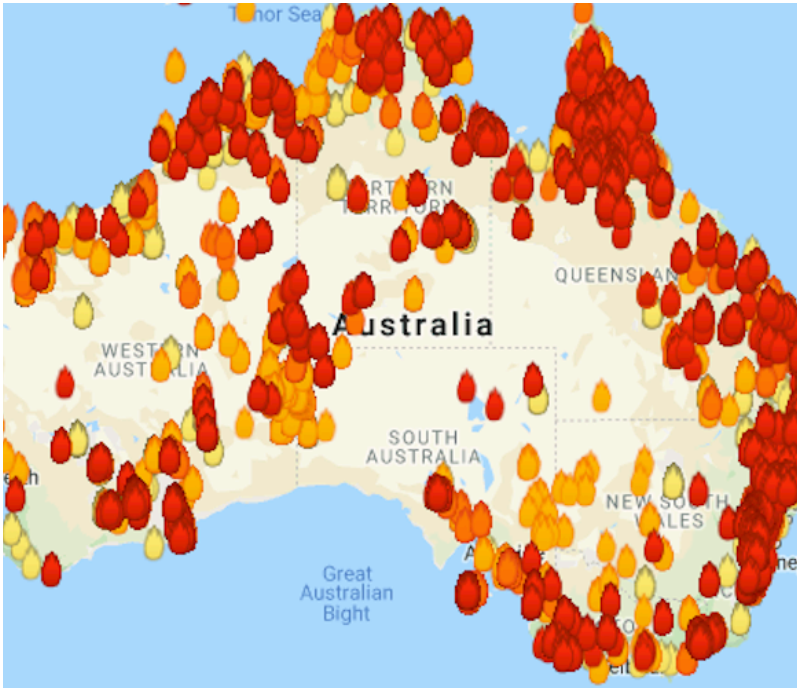

## Megan Zoch

Megan is from Beatrice Middle School. She loves volleyball and reading. Her favorite book is *The Fault in Our Stars*. Megan has 2 sisters and 1 brother. Sadly, this is not her first time moving, but Megan has said that she loves Lewiston already!

# Australia on Fire

Every dry season in Australia is known to be a dangerous time. Australia battles terrible bushfires every year, but this year has been extra devastating. Not only have 12 million acres of land been destroyed, but the poor animals who live in these environments have also been affected. So far, 480 million animals have died in these fires and the numbers are still raising. In December, the smoke in Sydney was so bad that air quality measured 11 times the "hazardous" level. Many have been left homeless after more than 1,300 homes have been destroyed. To help this ongoing issue, donate to the Australian Red Cross Disaster Recovery and Relief, Salvation Army Disaster Appeal, or many other charities attempting to help Australia and its ecosystem.

This year Speech has seven students out for competition: six freshmen and one junior. Competition begins January 25. So far, we have 5 competitions scheduled. Last year we had one student qualify for state competition, Reese Wilcox. She ended up getting a medal in Serious Prose. We also placed at districts and received 4th place as a team. I am hoping to travel to State Competition in Kearney again. We have a real young team. I look forward to working with all of them. This year might be more of a learning experience for speech competition.

This year ,for LCS, during the Sterling vs. Tigers basketball game, we are hosting a soup supper on January 31 with free will donations. The donations will help us with school scholarships. They will be having chili, chicken noodle, and potato soup. For sides, there are sandwiches, and drinks there are tea and water. We will also be serving a plentiful of desserts. Any LCS members may help with that night just sign up beforehand for your shift. Come support

## Quiz Bowl!!!

This year, Mr. McNeal will be hosting quiz bowl. Not only does quiz bowl consistently challenge your brain, but, it also looks great on college resumes. There will be a meeting for those interested Friday after school. It is a great opportunity to have good, fun competition and show how much academic strength we, as Lewiston tigers, have.

“Scholastic Book Fair Jungle: Elephants, Tigers, and Books, OH MY!”

The book fair will be held February 17-20 in the Lewiston Library. Students will be able to purchase books between 8-9 a.m. The book fair will also be open February 20 during parent/teacher conferences between 3-8 pm.

Our goal is to sell \$2500 in books. If we reach that goal, we will be able to purchase 70% of sales for our school library and classroom libraries.

This year in Honor Band we have 10 students going to Diller Odell on January 27. Diller Odell people has chosen 10 of our students to play in a big band with 5 other schools. The students going are: Caleb Bredemeier, Dana Christen, Kelsay Bledsaw, Masyn Arena, Hayden Christen, Jon Janssen, Johanna Keyes, Kienen Creek, Megan Sanders, and Katelyn Sanders. The songs Lewiston has been practicing are: Machine Age Captain America March The Star Spangled Banner, The Lion King, An American Original. Good luck honor band!

4-H Flying Tigers Club is having a raffle ticket fundraiser for a new 4-H food stand in Pawnee County. The drawing is on January 21 at the basketball game at Lewiston. The tickets are \$5 each, with a winning prize of 50 pounds of hamburger. You do not have to be present to win. If you have any questions call or text Jill Sasse: 402 239 6893.
