March 9, 2020

Dear Parents,

There has been much talk about the coronavirus virus the past few days. Lewiston Consolidated Schools is continuing to monitor the situation closely and remains in contact with the Southeast Department of Health and the Nebraska Department of Education to ensure we are following CDC guidelines.

We will continue to disinfect hard surfaces, doorknobs, and light switches and to train our students on how to protect themselves with simple hand hygiene. In addition, we are meeting with other school districts and the Nebraska Department of Education to receive the most up to date information. Any new information we learn that is relevant to our district will be shared with you immediately.

Please remind your children to:

- Practice good hand-washing with soap for at least 20 seconds.
- Keep hands away from nose, mouth, and eyes.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Stay home when you are sick.

The SEDHD website [www.sedhd.org](http://www.sedhd.org) and the NDE website [www.education.ne.gov](http://www.education.ne.gov) will contain any updates relevant to southeast Nebraska. Residents are encouraged to visit the department's website [www.sedhd.org](http://www.sedhd.org) or call the health department toll-free at 1.877.0424.

Professionally,

Rick Kentfield, Superintendent
