

Lewiston Parent Teacher Conferences Update

Because of Covid-19, our parent teacher conferences will be different this year. We will not be doing face-to-face conferences, but teachers will be available on Oct. 2 from 8-4 to conference.

Elementary

- Teachers will be contacting parents on how they would like to do a conference (zoom, email, telephone)

Junior/High School

- Progress reports and a note were mailed home on Sept. 25
- Teachers will contact parents that they need to conference with to set up a time
- Parents may email or call the teacher to let them know if they'd like to visit with them
- Teachers will set up a time with parents to conference (zoom, email, telephone) if parent requests a conference or teachers need to conference

Juli Smith, PreK-12 Principal
